Joanna -

The attached e-mail include the final revised tox memos for the 4 locations (HW-4, 6, 7, 8a) re-sampled in May as part of Round 2.

Please include with results letters.

- Kelley

**Subject:** Revised Draft Memos for Second Round Sampling - Dimock

Hi, Kelley. Attached are the revised draft memos for the Round 2 sampling at Dimock. These drafts replace those that I sent last week. I completely deleted the second paragraph of each memo to remove any speculation about the representativeness of the wellhead sample results (compared to the tap). Any questions, please let me know. Thanks.

Dawn
